#### SEC. . SENSE OF THE SENATE REGARDING ENFORCEMENT OF FEDERAL FIREARMS LAWS.

(a) FINDINGS.—The Senate makes the following findings:

(1) The Clinton Administration has failed to adequately enforce Federal firearms laws. Between 1992 and 1998, Triggerlock gun prosecutions—prosecutions of defendants who use a firearm in the commission of a felony—dropped nearly 50 percent, from 7,045 to approximately 3,800.

(2) The decline in Federal firearms prosecutions was not due to a lack of adequate resources. During the period when Federal firearms prosecutions decreased nearly 50 percent, the overall budget of the Department of Justice increased 54 percent.

(3) It is a Federal crime to possess a firearm on school grounds under section 922(q) of title 18, United States Code. The Clinton Department of Justice prosecuted only 8 cases under this provision of law during 1998, even though more than 6,000 students brought firearms to school that year. The Clinton Administration prosecuted only 5 such cases during 1997.

(4) It is a Federal crime to transfer a firearm to a juvenile under section 922(x) of title

18, United States Code. The Clinton Department of Justice prosecuted only 6 cases under this provision of law during 1998 and only 5 during 1997.

(5) It is a Federal crime to transfer or possess a semiautomatic assault weapon under section 922(v) of title 18, United States Code. The Clinton Department of Justice prosecuted only 4 cases under this provision of law during 1998 and only 4 during 1997.

(6) It is a Federal crime for any person “who has been adjudicated as a mental defective or who has been committed to a mental institution” to possess or purchase a firearm under section 922(g) of title 18, United States Code. Despite this Federal law, mental health adjudications are not placed on the national instant criminal background system established under section 103(b) of the Brady Handgun Violence Prevention Act (18 U.S.C. 922 note).

(7) It is a Federal crime for any person knowingly to make any false statement in the attempted purchase of a firearm under section 922(a)(6) of title 18, United States Code. It is also a Federal crime for convicted felons to possess or purchase a firearm under section 922(g) of title 18, United States Code.

(8) More than 500,000 convicted felons and other prohibited purchasers have been prevented from buying firearms from licensed dealers since the Brady Handgun Violence Prevention Act was enacted. When these felons attempted to purchase a firearm, they violated section 922(a)(6) of title 18, United States Code, by making a false statement under oath that they were not disqualified from purchasing a firearm. Nonetheless, of the more than 500,000 violations, only approximately 200 of the felons have been referred to the Department of Justice for prosecution.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the assumptions underlying the functional totals in this concurrent resolution on the budget assume that Federal funds will be used for an effective law enforcement strategy requiring a commitment to enforcing existing Federal firearms laws by—

(1) designating not less than 1 Assistant United States Attorney in each district to prosecute Federal firearms violations and thereby expand Project Exile nationally;

(2) upgrading the national instant criminal background system established under section 103(b) of the Brady Handgun Violence Prevention Act (18 U.S.C. 922 note) by encouraging States to place mental health adjudications on that system and by improving the overall speed and efficiency of that system; and

(3) providing incentive grants to States to encourage States to impose mandatory minimum sentences for firearm offenses based on section 924(c) of title 18, United States Code, and to prosecute those offenses in State court.

#### NICKLES AMENDMENT NO. 3078

Mr. NICKLES proposed an amendment to amendment No. 295, proposed by Mr. KENNEDY to the concurrent resolution, S. Con. Res. 101, *supra*; as follows:

In the amendment strike all after the first word and insert the following:

(B) It is the sense of the Senate that the functional totals underlying this resolution on the budget assume that the minimum wage should be increased as provided for in amendment #2547, the Domenici and others amendment to S. 625, the Bankruptcy Reform legislation.

#### KENNEDY AMENDMENT NO. 3079

Mr. REID (for Mr. KENNEDY) proposed an amendment to amendment No. 2951 proposed by Mr. KENNEDY to the concurrent resolution, S. Con. Res. 101, *supra*; as follows:

At the end of the amendment add the following:

#### SEC. . SENSE OF THE SENATE CONCERNING THE MINIMUM WAGE.

Mr. MURKOWSKI (for Mr. REID (for himself, Mr. BRYAN, and Mr. MCCAIN)) proposed an amendment to the bill (H.R. 1832) to reform unfair and anti-competitive practices in the professional boxing industry; as follows:

On page 6, between lines 17 and 18, insert the following:

“(C) PROTECTION FROM COERCIVE CONTRACTS WITH BROADCASTERS.—Subsection (a) of this section applies to any contract between a commercial broadcaster and a boxer, or granting any rights with respect to that boxer, involving a broadcast in or affecting interstate commerce, regardless of the broadcast medium. For the purpose of this subsection, any reference in subsection (a)(1)(B) to “promoter” shall be considered a reference to “commercial broadcaster”.

On page 17, after line 24, insert the following:

(1) in paragraph (9) by inserting after “match.” the following: “The term ‘promoter’ does not include a hotel, casino, resort, or other commercial establishment

hosting or sponsoring a professional boxing match unless—

“(A) the hotel, casino, resort, or other commercial establishment is primarily responsible for organizing, promoting, and producing the match; and

“(B) there is no other person primarily responsible for organizing, promoting, and producing the match.”;

On page 18, line 1, strike “(1)” and insert “(2)”.

On page 18, line 4, strike “(2)” and insert “(3)”.

Mr. SMITH of Oregon. Mr. President, I would like to announce for the information of the Senate and the public that a hearing has been scheduled before the Subcommittee on Water and Power.

The hearing will take place on Tuesday, April 18, 2000 at 10:00 a.m. in the Bonneville Auditorium at the Bonneville Lock and Dam in Cascade Locks, Oregon.

Because of the limited time available for the hearing, witnesses may testify by invitation only. However, those wishing to submit written testimony for the hearing record should send two copies of their testimony to the Subcommittee on Water and Power, Committee on Energy and Natural Resources, United States Senate 364 Dirksen Senate Office Building, Washington, D.C. 20510-6150.

## DEMOCRACY IN PERU

Mr. MURKOWSKI. Mr. President, I now ask unanimous consent the Senate proceed to the immediate consideration of Calendar No. 478, S.J. Res. 43.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A joint resolution (S.J. Res. 43) expressing the sense of Congress that the President of the United States should encourage free and fair elections and respect for democracy in Peru.

There being no objection, the Senate proceeded to consider the joint resolution.

Mr. MURKOWSKI. I ask consent that an amendment to the resolution, which is at the desk, be agreed to.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 3080) was agreed to, as follows:

On page 2, beginning on line 7, strike the word “modify” and all through the word “Peru” on line 9, and insert the following: “review and modify as appropriate its political, economic, and military relations with Peru”.

Mr. LEAHY. Mr. President, I want to especially thank Senator COVERDELL, the resolution’s chief sponsor, and Senator HELMS, Senator DEWINE, Senator CHAFEE, and Senator MCCONNELL for their leadership and support.

This is an extremely timely resolution which should send a clear message to the Peruvian Government and the Peruvian people that the United States cares deeply about the future of democracy in that country. It is my fervent hope that next week’s presidential election in Peru is free and fair, but all indications from independent monitoring groups are that President Fujimori and his supporters have used every possible means to manipulate the electoral process. If the election is not deemed to be free and fair by independent observers, this resolution calls on the administration to review U.S. policy toward Peru and modify our political, economic and military relations accordingly.

We have changed slightly the resolved clause in the resolution from the language that was originally introduced on March 28. Originally, the resolution stated that the U.S. should modify its relations with Peru, “including its support for international financial institution loans to Peru,” if the election is deemed to have been unfair. That language has been replaced with language calling on the U.S. to modify our “political, economic and military relations” with Peru.

However, I want to emphasize that the phrase “economic relations” includes loans from the international financial institutions. I want to be sure that there is no misunderstanding or suggestion that by changing this language we have precluded the administration from modifying U.S. support for international loans, if the election is deemed to have been unfair and such action would be appropriate.

I agreed to this change, both to include the phrase “military relations” since our military relations should also be reexamined and modified if appropriate, but also with the understanding that the phrase “economic relations” includes the entire spectrum of economic assistance, both from the United States directly and through the international financial institutions.

Mr. MURKOWSKI. I further ask unanimous consent an amendment to the preamble, which is at the desk, be agreed to, and the preamble, as amended, be agreed to, the joint resolution be read a third time and passed, the motion to reconsider be laid upon the table, and any statements relating to this resolution be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 3081) was agreed to, as follows:

In the preamble, in the second whereas clause, insert “, including the Organization of American States, the National Democratic Institute, and the Carter Center,” after “Whereas independent election monitors”.

The joint resolution (S.J. Res. 43), as amended, was read the third time and passed, as follows:

### S.J. RES. 43

Whereas presidential and congressional elections are scheduled to occur in Peru on April 9, 2000;

Whereas independent election monitors, including the Organization of American States, the National Democratic Institute, and the Carter Center, have expressed grave doubts about the fairness of the electoral process due to the Peruvian Government’s control of key official electoral agencies, systematic restrictions on freedom of the press, manipulation of the judicial processes to stifle independent reporting on radio, television, and newspaper outlets, and harassment and intimidation of opposition politicians, which have greatly limited the ability of opposing candidates to campaign freely; and

Whereas the absence of free and fair elections in Peru would constitute a major setback for the Peruvian people and for democracy in the hemisphere, could result in instability in Peru, and could jeopardize United States antinarcotics objectives in Peru and the region: Now, therefore, be it

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled*, That it is the sense of Congress that the President of the United States should promptly convey to the President of Peru that if the April 9, 2000, elections are not deemed by the international community to have been free and fair, the United States will review and modify as appropriate its political, economic, and military relations with Peru, and will work with other democracies in this hemisphere and elsewhere toward a restoration of democracy in Peru.

## DIRECTING SENATE LEGAL COUNSEL

Mr. MURKOWSKI. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 283, submitted earlier by Senator LOTT and Senator DASCHLE.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 283) to direct the Senate Legal Counsel to intervene in the name of the Senate Committee on Appropriations and the Senate Committee on the Judiciary in United States of America v. Northwest Airlines Corporation, et al.

There being no objection, the Senate proceeded to consider the resolution.

Mr. LOTT. Mr. President, Northwest Airlines, one of the defendants in a civil antitrust action brought by the Department of Justice on behalf of the United States in the U.S. District Court for the Eastern District of Michigan, has subpoenaed the General Accounting Office to produce documents that GAO collected or generated in the course of its preparation of testimony or reports for several Senate committees, including the Committee on Appropriations Subcommittee on Transportation and the Committee on the Judiciary Subcommittee on Antitrust, Business Rights, and Competition.

GAO advised Northwest’s counsel that the documents sought were unavailable because they are protected by
